# ORDER LISTING CHART

The 'Individual Order Listing' form is not required but is designed to help you organize your work & complete order. After this form is completed, proceed to fill out the 'Graduation Place Kinder Order Form' in this booklet.

1. Children should be measured with shoes on, from the top of their heads to the floor. Record each child's KinderGown size according to his or her height in feet and inches.
2. Since our cap sizes are expandable, there is no need to measure the child's head.
3. A ring sizer with instructions can be found in this booklet.
4. List the total quantities of all sizes and styles in the form below, then record the information on the 'Graduation Place Kinder Order Form' on the inside of this booklet.
