

Individual Order Listing

The 'Individual Order Listing' form is not required but is designed to help you organize your work & complete order. After this form is completed, proceed to fill out the 'Graduation Place Order Form' on the reverse side.

1. Students should be measured with shoes on, from the top of their heads to the floor. Record each student gown size according to his or her height in feet and inches.
2. Since our cap sizes are expandable, one size fits all.
3. List the total quantities of all sizes and styles in the form below, then record the information on the 'Graduation Place Order Form' on the reverse side.
4. Summarize order and retain this page for your records.
